

Express Laminate

Express Laminate is a Modular Desking System.

A wide variety of different components are stocked in multiple sizes that allow you to build custom configurations to meet the needs of your office.

Stocked items include: Desks, Credenza's, Bridges, Returns, Files, Bookcases, Storage Cabinets and Towers, Bookcases, Conference Tables and more.

EL is for commercial duty use, but is very economically priced. Construction is durable Thermo-Fused plastic laminate over eco-friendly Industrial Grade Particleboard. All edges are trimmed with 3-Mil thick vinyl edge, even including the box drawer edges. All suspensions are ball-bearing, even the box drawers. All shells include full modesty panels with adjustable glides.

All EL products are non-handed and can be re-configured as your needs change. (Selected curvilinear products are handed.)

EL is stocked in: C-Cherry, DW-Dark Walnut and M-Mahogany finish. EL is KD and requires assembly. Construction includes Steel pins, cam locks, wooden dowels, metal L-brackets and screws. Once properly assembled, EL is very solid.
